Subject: Insh settlement boundary

Sensitivity: Normal

Dear Mr Harris

I would like to record my support for the proposed settlement boundary for Insh outlined in the local development plan 2020 - 2025 which was circulated recently.

I feel the proposed boundary will meet the settlement objectives outlined in the plan. Any development in the Insh area outside this boundary would be detrimental to the unique character of the village and will impact adversely on the natural heritage and associated protected sites.

Yours sincerely

Bob Murdoch
