## Proposed Local Development Plan 2019

**Q6** What is your comment on this section of the Plan? (Your comment should not exceed 2,000 words)

Issues

- Road safety. This is a single track road. At present it is not safe for pedestrians. Who will be responsible/provide the funding to improve the infrastructure to make the road safe? the CPNA? Mar Estate? Aberdeenshire Council? The Developer. There is no road signage or markings, no passing places or no pavements. Where are these going to come from. Two dogs have been killed recently. Increasing the amount of cars only exacerbates the problem. Saying (as was said to me at the consultation) well its the same as the residents deal with now is not the same & not a good enough response. Adding more traffic means someone will be killed or seriously injured and if it is a child who was unable to walk on a pavement who lives in one of these new houses then someone will be forced to take responsibility. can you tell me who?
- No pavements
- Emergency Services Access. Ambulances or Fire Vehicles cannot get up Chapel Brae for half the year. Is the Scottish Government going to provide all new residents with four wheel drive cars so they can take the ill person to the ambulance when they are unable to access the new houses?
- There seems to be no specific evidence to the village of Braemar that there is a need for the amount off housing that is being suggested for the village.Please make this very clear
- H4 has been specifically identified as a material scenic are and key public amenity space. The locals and visitors use this as access to the duck pond; Morrone & Birkwood and to access Margaret Boyds memorial bench. The Boyd family are historically important to the village.
- The Iconic larch(which is used in the Braemar Creative Arts festival) and wildlife in this space seem to just be being ignored.

---

**Q7** Please state clearly what change/s you wish to see made to the Plan to address your comment.(Your comment should not exceed 2,000 words)

If there are houses to be built, it needs to be clear who is responsible for building pavements, passing places and installing road traffic signage as safety measures. Can the CPNA tell me who this will be?

---

**Q8** Would you like to comment on another section of the Plan? **No**
