Strategic Settlements: Ballater: H1

Q58 What is your comment on this section of the Plan? (Your comment should not exceed 2,000 words)

In relation to the allocation for housing, I have two comments. Firstly, that, if ever the development were to reach the overall allocation of 250 dwellings, that would undoubtedly result in the destruction of the present Ballater community spirit. Secondly, I would hope that CNPA would ensure the development incorporates the affordable housing requirement, and takes into account the additional pressures on the School and other public services.

I understand that CNPA would have to have a development proposal before commenting on specifics such as access roads, but I hope we can rely on CNPA, at the appropriate time, to ensure no desecration of Monaltrie Park by building an access road through the Park. That has been apparently been suggested by some officials.

In that context, I refer to the CNPA Policy 8 of the Plan, detailing when developments which would result in the reduction of recreation facilities can only be supported. I believe any public road through Monaltrie Park should not be supported, and would consequently strongly urge this to be taken into account when any development proposal is considered.

Q59 Please state clearly what change/s you wish to see made to the Plan to address your comment.(Your comment should not exceed 2,000 words)

Most of my comments are therefore not directly relevant to the Plan as published, with my only request in that context being that the proposal for the overall number of dwellings be substantially reduced.

Importantly, I am asking that my comments be kept on file to be considered when any proposal is forthcoming, so that the limited open / recreational space presently in Ballater is not further limited / damaged by the intrusion of public roads.
