Policy 1.11, Long Term Designations, Aviemore and An Camas Mòr, ACM

Q10 What is your comment on this section of the Plan? (Your comment should not exceed 2,000 words)

I would like to see real priority for green, sustainable housing and lifestyles such as eco housing, sustainable building materials for houses and public roads/paths, and lots of facilities for sports. I think veggie allotments would be a great addition to the town and would tie in with the environmentally conscious theme the new town should be looking to adopt. The lack of space for new housing and development in Aviemore is an issue. This is adding to the high prices in Aviemore which results in many younger people having to move else where. Also when you have a certain few individuals owning large amounts of housing and business premises, it can have limiting affects. Concentration of ownership decreased economic opportunities and diversity. An Camas Mòr could be a prime example of how towns should be planned in the future.

Q11 Please state clearly what change/s you wish to see made to the Plan to address your comment.(Your comment should not exceed 2,000 words)

I wish to see a commitment within the Plan that The CNPA will do everything that they can to ensure An Camas Mòr is delivered as soon as possible rather than designating an alternative site, for example, by determining Planning Applications within 3 months rather than taking more than 2 years as they are doing with An Camas Mòr's latest application. This has taken so long now. I am waiting to buy a property in hope that this site will go ahead in the next few years.

The claim that the alternative site for long term housing beyond Aviemore's northern boundary could be delivered any quicker than An Camas Mòr should be removed because it makes no sense: the planning conditions that apply to An Camas Mòr should also apply to the alternative site because it is no further from Capercaillie and Natura sites than An Camas Mòr. Aviemore has no where else left to realistically expand.
