

Cairngorms National Park Proposed Local Development Plan 2020 Representation Form

Introduction

The Proposed Local Development Plan (the Plan) sets out a strategy for future development in the National Park. It includes sites and proposals for development as well as the policies that will be used to make decisions on applications for planning permission. We aim to formally adopt the Plan in 2020 when the current Local Development Plan 2015 comes to an end. The Plan focuses on the five year period until 2025. It also includes development proposals for the 10 year period until 2030, as well as providing a general indication of the likely scale and location of development as far as 20 years into the future.

Your comments

1. Which section of the Plan would you like to comment on?

(Please state clearly which policy, settlement, site reference number, paragraph number etc. your comment relates to)

Ballater - Manaferie H1 site Development of fields
above the Cinder Path & below.
Also the "Car Parking" Highland Games area

2. What is your comment on this section of the Plan?

(Your comment should not exceed 2,000 words plus limited supporting material, please use a separate continuation sheet if necessary)

- ① The faint path parallel & above the "Cinder Path" has a line of at least thirty Field Gentians. These are classed as invaluable in a 2005 Red Data List of vascular plants which is an international assessment that includes the entire UK flora.
- ② The farmed fields below the Cinder Path are much needed for sheep, cattle & grain. Every year the lapwings & oystercatchers & other birds.
- ③ The "Car Parking" Highland Games area is used as an unofficial, unuser demand camp site for large groups. The partying occupants & flood lights are a nuisance.

3. Please state clearly what change/s you wish to see made to the Plan to address your comment

(Please use a separate continuation sheet if necessary)

- ① Unimproved grassland is in decline. These plants should be protected from developers.
- ② The farmed fields should remain as they are.
- ③ The "Car Parking" Highland Games area should not be used as an unauthorised, unofficial camp site just because static caravans are preferred.
