ED2: Industrial Park

**Q70** What is your comment on this section of the Plan? (Your comment should not exceed 2,000 words)

The Community Council's view is that this is not currently suitable for zoning for industrial use. Current access would have to be via Craigmhor Road, a narrow residential road accessed off another narrow road, Golf Course Road. Neither is suited to heavier traffic (with Golf Course Road access from Station Road via an almost blind corner or otherwise by passing the school , which at times already narrows the roadway to one car's width at busy times), and residents would not want to see these roads expanded for more commercial vehicles to use them. While there could be access from the Industrial Park itself, there is currently no route through to the NE boundary, and there are already units in use there.

**Q71** Please state clearly what change/s you wish to see made to the Plan to address your comment.(Your comment should not exceed 2,000 words)

Given the access and location issues, we do not consider the site suitable for development in the future without reconsideration of how access to use the site might be achieved in a matter acceptable to residents in the locality.
