Cairngorm Local Development Plan 2020 – Carrbridge H1.

Proposed Local Development Plan 2019

Q86 What is your comment on this section of the Plan? (Your comment should not exceed 2,000 words)

On reviewing the Consultation Document I noticed that the site H1 in Carrbridge has had recommendations for just 36 houses but in a smaller area of the field. Is this to in future build the further 36 in the rest of the field? If you are happy with 36 then why can these not just be in the whole field and give families a decent house with good garden space around it.

My previous comments about a safe route to school still stand as over 50 return journeys at am peak and pm peak (Highland Council figures from your report) are far too many. We walk or cycle every day to school and the road at present is unsafe.

With the plan showing so many new houses in Carrbridge then hopefully developers will be to address issues like the capacity in the school and that we are not left with a situation like Boat of Garten where the community are now having to fundraise for community facilities due to too many children for the capacity of the school.
