H4

---

**Q82** What is your comment on this section of the Plan? (Your comment should not exceed 2,000 words)

Before H4 is included in any development plan the boundaries of the conservation area need to be redrawn to include H4 within it. H4 was previously outwith the conservation area because it was designated as green space. ALSO H4 has always provided an access corridor down to the river from the west side of the village - to remove this access would be akin to taking away a public right of way.

---

**Q83** Please state clearly what change/s you wish to see made to the Plan to address your comment.(Your comment should not exceed 2,000 words)

1. Re-draw the conservation area boundaries to include H4 within it - a measure that should precede any designation of housing area changes.
  2. Ensure that in any development plans, a right of access is maintained down to the river from Chapel Brae.
