

Carrbridge Site H1 - Cairngorm Local Development Plan 2020.

I am once again finding myself responding to the development plan, I do not see why previous comments can not be carried forward?

On reviewing the Consultation Document, I noticed that the site H1 in Carrbridge has had recommendations for just 36 houses but in a smaller area of the field. Is this to in future build the further 36 in the rest of the field.

Has some information been removed from the Local Development Plan – I thought that I had previously seen an obligation for a path along Carr Road, but can not see this stipulation now?

The main issues that I have with the H1 development are:

- * Safety of Carr Road
- * The density of the houses
- * The need for a safe route to school
- * Heavy machinery using Carr Road for years

Many Thanks

Mark Campbell
