Subject: Fw:LDP2020 consultation response Carrbridge

Sensitivity: Normal

I am opposed to the current H1 development plan for 36 houses on one half of this site. I am concerned that there will be a further application for another 36 houses on the remaining half. I would not be opposed to 36 houses on the whole site or 18 on half.

A further concern is the unsuitability of Carr Road to cope with the increased volume of traffic that this development will inevitably create.
