**Q10** What is your comment on this section of the Plan? (Your comment should not exceed 2,000 words)

It is hard to understand and appreciate the delays on this project. Proposals are for sustainable, affordable housing for people committed to this kind and quality of living. Opportunities for working in the area and for a good quality of life for people of all ages are thus far being, at best delayed and at worst, denied. Please, if this is what it takes, be courageous in your decision making and enable the project to go ahead.

---

**Q11** Please state clearly what change/s you wish to see made to the Plan to address your comment.(Your comment should not exceed 2,000 words)

Please remove the suggestion for an alternative site. This seems like delaying tactics and affords no obvious advantage.
