Policy 1: New housing developments

---

**Q10** What is your comment on this section of the Plan? (Your comment should not exceed 2,000 words)

I believe the plans aim to provide affordable housing does not go far enough and is not targeted at people in genuine need of affordable housing within the national park. The 45% figure for certain settlements is not high enough. The policy as stated will lead to building many more luxury and second homes. I can find no mention of social housing which should be the real priority for the Local development plan.
