Q1 Review of changes in strategic context (see pp9-11)

Are there other significant economic trends, challenges, opportunities or data sources that we should be taking into account in developing this Action Plan?

We would welcome the inclusion of the Community Empowerment Act 2015 and the enhanced role communities are playing in service delivery, asset ownership and economic prosperity in the context on changes in strategic context.

Q2 Priority themes and actions (see pp12-17)

Do you support these Actions to deliver the economic strategy as set out in the National Park Partnership Plan? Please explain why.

Yes - ~~that~~
We would welcome the opportunity to be involved in a Rural Development Framework pilot with CES.
We welcome the inclusion of Training & skills and would endorse support for CLP.
T&LP legacy needs CNPA resource support to maximise benefit

Q3 Delivery and monitoring (see p18)

Are these delivery and monitoring arrangements appropriate for the Economic Action Plan? Please explain why.

Yes - T&AT happy to provide ~~us~~ access to its information and data on visitor numbers etc.

Please return this form to us by 5pm, Friday 20 September 2019.
