

## Draft Supplementary and Non-statutory Guidance

NATIONAL PARK AUTHORITY

### We need your views! Purpose of this Consultation

The adopted Local Development Plan 2021 states that it will be supported by two pieces of Supplementary Guidance covering Policy I: Housing and Policy II: Developer Obligations. The draft Supplementary Guidance must undergo public consultation prior to being adopted and the Authority must consider any timeous representations made to it during the consultation period. Alongside the Supplementary Guidance we are also putting forward one piece of Non-statutory Guidance for public consultation. We are seeking your views on the form and content of this guidance.

It's important to be clear that this is not an opportunity to comment on the policy content of the LDP itself. Neither can the guidance introduce new requirements that are not already part of policy. Rather, the Supplementary and Non-statutory Guidance aims to provide an explanation and supporting information to help implement the policies of the current LDP. This consultation is therefore an important opportunity for you to influence its content.
